Red Clay Builders - our remodeling guide

How a job runs with us, from the first visit to the warranty.

1. Visit. We walk the room with you and listen. No charge.
2. Plan and price. A drawing, a written estimate and a schedule.
3. Build. A project manager on every job and a text every morning.
4. Walk through. We fix anything on the list and stand behind it for two years.

Red Clay Builders, 1200 Thomas Road, West Monroe, LA 71291. (555) 555-0510.
A sample document: Red Clay Builders is not a real company.
